**26 PROPOSED ORDINANCE (By Petition) VILLAGE OF MARIEMONT**

A majority affirmative vote is necessary for passage.

---

Ordinance to follow the Ohio Manual of Uniform Traffic Control Devices in regards to STOP signs in Mariemont:

In order to comply with Ohio Revised Code and ensure proper safety, consistency and objectivity in the placement of STOP signs throughout the Village of Mariemont, the installation of any new STOP signs shall require:

I) a study be done by an independent professional traffic engineer. For purposes of this Section, the term "independent" means a qualified consultant that has not otherwise performed work as a W-2 employee or a 1099 consultant for the Village of Mariemont for a period of 12 months prior to the date of such study.

II) the study must establish that the proposed location for the STOP sign meets the criteria laid out in the Ohio Manual of Uniform Traffic Control Devices, or such other and further authority on such topic hereafter adopted by the Ohio Department of Transportation or its successor agency. Specifically, the location being studied must meet at least one of the Guidance criteria or two of the Options in Section 2B.04 or 2B.07 of the Ohio Manual of Uniform Traffic Control Devices, along with any other pertinent requirements, or such other and further authority on such topic hereafter adopted by the Ohio Department of Transportation or its successor agency.

III) any ordinance to implement any STOP sign shall go through the required three readings at three separate Village Council meetings and shall not be passed as an emergency measure unless there has been a significant increase in the number of documented accidents at the proposed location. Furthermore, the reason for having to pass the STOP sign ordinance as an emergency measure should be included in the ordinance as well.
